

Your Spirited~Autumn~Hope Ebook License in “Plain Language”!

Your Ebook Has Been Sold to You as a Licensed Ebook

Your Ebook License is licensed to your family as a lifetime license to use and print the resources you received. Your license allows you to print unlimited copies of the ebook resource you received for the use of your immediate family, saving you money and allow you tailor your study to your family!

You are granted permission to install this PDF on devices belonging to your immediate family, such as a laptop and a tablet, a desktop computer and a laptop, etc.

You are also granted limited permission to post up samples of your students' completed work online. The intention of this is to allow families to share a few samples of student work with family and friends via online blogs. This excludes permission to post a page that is largely text. Anything posted must be rendered unable to be recopied or re-used as a student has already completed the work, and good judgment must be shown in posting only a sampling of student work, rather than pages and pages of a particular resource. Spirited~Autumn~Hope reserves the right to require posted samples be taken down, if it violates the spirit of family sharing that is behind this limited permission to post.

Some “Plain Language” Limitations:

Your Ebook License is Subject to Some Limitations.

(We're sure most of these just make sense to you, but we need to include them here anyway!)

A much more complicated version of your license is included later in this ebook, which you can read at your leisure (and which we feel we have to include), but this is an easy-to-understand guide to your license. You are subject to these limitations by downloading your ebook.

- You are granted permission to install your ebook PDF on devices belonging to your immediate family, such as a laptop and a tablet, a desktop computer and a laptop, etc.
- Your license does not grant the rights to copy these pages for use with students outside your immediate family (such as for a co-op or school setting).
- The license cannot be transferred, sold, or lent to another family -- so any of ebook resources you received can only be used for your immediate family members.
- You cannot pass along electronically or by any other means any original PDFs from your ebook or an ebook set, including “samples,” or “used” materials.
- Any print copies you make of this ebook are a derivative of your license, and they, as well as your ebooks themselves, are subject to these same limitations. This means you may not print, lend, or sell copies you make from your licensed ebook. You may only use them for your own immediate family.
- You are not allowed to resell, transfer, or lend ebooks or print versions of ebooks. This limitation includes print copies of books for which you own a copy of the ebook, whether you purchased at copy already in print, or printed the copy yourself.
